Registering for a LabDash Account at LabDash.net

- To sign your child/children up for LabDash, **the parent or guardian must first sign themselves up**. After your registration is complete, you may then log into LabDash and add your children as your dependents.

- If you are 16 or older, you may register for your own account
  - Go to LabDash.net
  - Select the "Register" button on the main page
  - Under "User Registration" select "Patient"
  - Fill out all required information indicated with an asterisk (*) on the registration form
  - **Include required insurance information if you have it, however INSURANCE WILL NOT BE BILLED**
  - After you click the "submit" button an email will be sent to the email account you supplied on the form
  - Follow the instructions on the email to complete your account registration

- To add your child/children to the account
  - Log in to your LabDash account
  - At the bottom of the screen click the button reading "Add or View Dependents"
  - Click the "+Add Dependent" button
  - Fill out your child/children's information in the form provided and click "submit"

  You have successfully signed up for LabDash!
