

Dear Parents and Juniors/Seniors,

In the first quarter of every year, the high school students participate in a bonding event/campout. For our juniors and seniors, that time is fast approaching. October 23 – 29 for the seniors and October 26 – 29 for the juniors is our annual Leadership Training Campout which this year will be in Washington near Bonney Lake. Seniors depart on Tuesday at 8:30 a.m. for their Senior Survival and will be joined by the juniors who leave LAA after Lunch on Thursday afternoon, with everyone returning as close to 3:00 p.m. on Sunday as possible. Meals will be provided for everyone starting with breakfast, on Friday the 24th. *(Before that, seniors will need to cook their own meals and the juniors and seniors will be stopping en-route for meals on their way there and back so bring money or brown bag it.)* Our last meal will be Sunday breakfast, so money for lunch would be a good idea. We ask that the permission slip be turned in by Thursday, October 19. If you have any questions please contact Kirk Betz. There is no additional charge for this trip.

(Strongly) Suggested Equipment Checklist
