Financial Aid

- Financial aid through Livingstone is limited and distributed on a first come first served basis based on need. This program is 100% supported from individual donations and fund raisers. It is important that family seeking financial assistance get their application in early.
- Please meet with your local church pastor to discuss the availability of assistance from your church, whether it be Adventist or otherwise. The more places we can get help for your family, the more likely we can help get your monthly payment to an affordable amount.
- Financial aid application can be found online at www.online.factsmgmt.com/aid through FACTS Grant & Aid Assessment starting May 2024. FACTS is an independent company which calculates financial assistance needs for families. There is a \$40 non-refundable fee for their service. Before starting your application, be sure to have your previous year's tax information available.

Partnering for Eternity (PFE)

- Partnering for Eternity offers a program where students in grade K-8th can meet with a senior "mentor" once a week to enrich the lives of both the mentor and the student.
- Aid is provided based on the number of visits per month, with a maximum of 5 per month.

For more financial information and/or questions, please contact Peggy Kroschel, Treasurer, at pkroschel@laaonline.org or call the school office at (503) 363-9408 ext. 112.
